- Program charges can be applied to future events. However, if a program is canceled by the Arc, participants may be credited if possible.
- If you are unable to attend a program for any reason, it is your responsibility to call and cancel. Please notify Sara Ashley at 908-246-0462 as soon as possible.

Inclement Weather

In the event of poor or questionable weather, call 908-730-7827 to check the status of a program.

Cancellations will be announced at least two hours prior to the start of the program.

Poor weather may result in outdoor programs being moved inside depending on severity of weather.

Transportation

For other community outings, pick up and drop off will be located at the Hampton office. Times are listed in the newsletter. For the safety of all concerned, REC staff must be present before dropping off participants.

Attire

Please adhere to the suggestions for attire under program descriptions. It is for your comfort and safety. Fanny packs are a good idea to carry your personal items. Every participant should carry a photo ID on them at all times. Photo IDs are available at motor vehicle agencies. Staff is not responsible for personal items. You may want to label personal items with your name.

Safety Policy

Our highest priority for every participant is their safety and well being. We therefore reserve the right to take appropriate action if a participant's behavior or health constitutes a hazard to themselves or others, or infringes on the enjoyment of others.

The Arc of Hunterdon staff and other appropriate professionals will evaluate each case separately. Following approval per the Executive Director, final recommendations will be made in writing to each person and their staff/parents/guardians.

These recommendations may include but not limited to:

1. Physically modifying the environment
2. One on one staff provided by the participant
3. Exclusion from certain types of activities or suspensions for a predetermined length of time.

Failure to comply with these recommendations may result in suspension from Arc programs.
