- Program charges can be applied to future events. However, if a program is canceled by the Arc, participants may be credited if possible.

Inclement Weather

In the event of poor or questionable weather, call **908-730-7827** to check the status of a program. Cancellations will be announced at least two hours prior to the start of the program. Poor weather may result in outdoor programs being moved inside depending on severity of weather.

Marianne Memorial Scholarship Fund

Some financial assistance is available for the REC program through this fund. This fund is limited.

Please call

908-730-7827

to contact *Fiona Spear*, extension 231 for information.

Transportation

For other community outings, pick up and drop off will be located at the Hampton office. Times are listed in the newsletter. For the safety of all concerned, please be sure that REC staff is present before dropping off participants.

Attire

Please adhere to the suggestions for attire under program descriptions. It is for your comfort and safety. Fanny packs are a good idea to carry your personal items. Every participant should carry a photo ID on them at all times. Photo IDs are available at motor vehicle agencies. Staff is not responsible for personal items. You may want to label personal items with your name.

Safety Policy

Our highest priority for every participant is his/her safety and well being. We therefore reserve the right to take appropriate action if a participant's behavior or health constitutes a hazard to themselves or others, or infringes on the enjoyment of others.

The Arc of Hunterdon staff and other appropriate professionals will evaluate each case separately. Following approval per the Executive Director, final recommendations will be made in writing to each person and their staff/parents/guardians.

These recommendations may include but not limited to:

1. Physically modifying the environment
2. One on one staff provided by the participant
3. Exclusion from certain types of activities or suspensions for a predetermined length of time.

Failure to comply with these recommendations may result in suspension from Arc programs.
